

What is Dim Sum?

"Dim Sum" simply means "To Touch the Heart". At Dim Sum King, our goal is to warm your hearts one bite at a time.

Similar to French Hors d'oeuvres and Spanish tapas, Dim Sum is a Chinese small bite. It is traditionally eaten for breakfast and lunch at tea houses, where families gather on weekends to catch up with each other and feast over an endless array of flavors and delicacies.

At Dim Sum King, we recognize your busy schedules and understand that you may not have the luxury of time to sit down at a full-service restaurant. Therefore, we offer the unique choice of enjoying dim sum anytime, anywhere you please. You can take it home, take it to the office, or even have a picnic at the park.

Dim Sum King offers quick-serve food-to-go, preparing the freshest ingredients and combining them into the tastiest bites. Additionally, you can enjoy some of the Bay Area's best homestyle stir-fry wok flavors from our very own Uncle Pang!

With you in mind, our commitment to excellence in customer service, quality, value, and convenience is unwavering.
